From our hands to your home®

*Introducing*

**THE BRIDGE COLLECTION**

*Artisan finished and assembled one-at-a-time because you're one-of-a-kind, each of our bridge faucets feature the very best of California craftsmanship. Thoughtfully designed to meet the range of styles including Traditional, Contemporary, Industrial, and Transitional, the collection also allows you to customize. Each series offers multiple spout and handle options and is available in over 25 decorative finishes.*

*Our artisan ability to customize sets California Faucets apart, so you never to settle for mass produced product. Using materials that stand the test of time, then custom finished and assembled by hand at our Huntington Beach factory, every California Faucets product is unique. Just like you.*

California Faucets proudly employs more American labor per faucet sold than nearly every other faucet manufacturer.

# FINISHES

## **PVD** (Physical Vapor Deposition)

PVD finishes come with a lifetime guarantee against tarnishing. Super-hard and molecularly bonded, PVD is by far the most durable finish available.

## **LF** (Living Finishes)

Created by artisan hands to uniquely age and change over time. Because they are more delicate by nature, please make sure to follow our living finish care instructions.
